HR Policy Document

Resoftwa Technologies and Solutions Pvt. Ltd.

Date of Issue: 2 November 2026 **Issued To:** Nelluri Sri Harsha **Designation:** SAP ABAP Developer

---

1. Purpose and Scope

This document sets out the Human Resources policies of Resoftwa Technologies and Solutions Pvt. Ltd. ("the Company"). It applies to all employees, including Nelluri Sri Harsha ("the Employee"), and is intended to ensure a fair, safe, professional and productive workplace. It should be read together with the Employee's appointment letter. If any clause conflicts with the appointment letter or applicable Indian law, the appointment letter and the law prevail.

2. Employment and Probation

- **Role:** The Employee is engaged as an SAP ABAP Developer and is responsible for designing, developing, testing and supporting ABAP programs, reports, interfaces, enhancements, forms and related SAP objects as assigned by the project or reporting manager.
- **Probation:** New employees serve a probation period of six (6) months, unless the appointment letter states otherwise. Performance and conduct are reviewed before confirmation. The Company may extend probation by up to three (3) months where needed.
- **Confirmation:** Confirmation is communicated in writing by HR.
- **Documents:** The Employee must submit all joining documents, including identity proof, educational and experience certificates, and bank and statutory details, and must keep HR informed of changes to personal details.

3. Working Hours and Attendance

- The standard working week is Monday to Friday, with approximately nine (9) hours per day including breaks. Timings may vary by project, client or time zone.

- Attendance must be recorded accurately in the Company's attendance or timesheet system. Habitual late arrival or unexplained absence may lead to deduction of leave or disciplinary action.
- Overtime or weekend work needs prior approval from the reporting manager. Compensatory off may be granted as per project policy.
- Unauthorised absence of more than three (3) consecutive working days may be treated as abandonment of service.

4. Leave Policy

Leave is granted per calendar year. The entitlements below are the Company default and may be modified by the appointment letter.

Leave Type	Entitlement	Key Conditions
Casual Leave	8 days per year	Short-term personal needs; maximum 3 consecutive days; not carried forward
Sick Leave	8 days per year	Medical certificate required for more than 2 consecutive days
Earned / Privilege Leave	15 days per year	Accrued monthly; apply at least 7 days in advance; limited carry-forward as per Company rules
Public Holidays	As per annual holiday list	List published by HR at the start of each year
Maternity Leave	As per the Maternity Benefit Act, 1961	Applicable to eligible women employees
Paternity Leave	5 working days	Within 3 months of the child's birth
Loss of Pay (LOP)	As required	Applies when leave balance is exhausted or leave is unapproved

Leave must be applied for through the HR system and approved by the reporting manager. In emergencies, the manager must be informed at the earliest. Leave taken during critical project milestones, go-live or hypercare may require additional approval.

5. Code of Conduct

The Employee is expected to:

- Act with honesty, integrity and professionalism in all dealings with colleagues, clients, vendors and partners.
- Treat everyone with respect and avoid discrimination based on gender, religion, caste, region, age, disability or any other personal characteristic.
- Follow the dress code appropriate to the workplace or client site.
- Avoid conflicts of interest. Any outside employment, freelance SAP work or business interest must be disclosed to HR and approved in writing beforehand.
- Not accept gifts or favours from clients or vendors that could influence business decisions.
- Use Company resources, time and property only for legitimate business purposes.

6. Confidentiality, IT and Data Security

As an SAP ABAP Developer, the Employee may have access to client systems, business data, source code and configuration. The following rules apply:

- **Confidentiality:** All client and Company information, including code, designs, data, documentation and commercial terms, is confidential during and after employment.
- **System access:** SAP user IDs, passwords and authorisations are personal and must never be shared. Access must be used only for assigned work. Developer access keys, debugging and change authorisations must be used strictly within approved change-management and transport procedures.
- **Data protection:** Production or personal data must not be copied, downloaded, emailed or stored on personal devices or unapproved cloud services. Data must be handled in line with the Digital Personal Data Protection Act, 2023, and client agreements.
- **Code and transports:** Code must follow client and Company development standards, be peer-reviewed where required, and be moved across systems only through the approved transport route.
- **Incident reporting:** Any suspected security breach, data leak or loss of a device must be reported to the manager and IT immediately.
- **Intellectual Property:** All work, code and deliverables created in the course of employment are the exclusive property of the Company or its client, as applicable.

7. Anti-Harassment and Equal Opportunity

The Company is committed to a workplace free of harassment, bullying and discrimination. In line with the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013, the Company maintains an Internal Committee to receive and resolve complaints. All complaints are treated seriously and handled with confidentiality, and retaliation against anyone who raises a concern in good faith is strictly prohibited. The Company provides equal opportunity in recruitment, training, promotion and compensation, based on merit and business need.

8. Performance Management and Learning

- Performance is reviewed through goal setting, regular feedback and an annual appraisal cycle.
- Appraisals consider quality of delivery, technical skills, timeliness, teamwork, client feedback and adherence to Company policies.
- Employees are encouraged to build and certify their SAP skills (for example ABAP on HANA, ABAP RESTful Application Programming Model, SAP Fiori and BTP). Approved training and certification costs may be sponsored, and the Company may require a service commitment for high-cost programmes.
- Salary revisions and promotions depend on performance, role criticality and business conditions, and are not automatic.

9. Compensation and Benefits

- Salary is paid monthly, by the last working day of the month, after statutory deductions such as Income Tax (TDS), Provident Fund and Professional Tax.
- Benefits such as Provident Fund, gratuity (after five years of continuous service, as per law), group medical insurance and any variable pay are governed by the appointment letter and the relevant Company schemes.
- Business travel and client-site expenses are reimbursed on submission of valid bills with prior manager approval.
- Any excess payment made in error may be recovered from future salary or final settlement.

10. Disciplinary Procedure

The Company follows a fair and proportionate process. Depending on the seriousness of the matter, action may include a verbal warning, written warning, suspension, withdrawal of benefits or termination of employment. Examples of misconduct include:

- Breach of confidentiality, data theft or misuse of system access
- Fraud, falsification of records or submitting false documents
- Harassment, violence or abusive behaviour
- Wilful insubordination or repeated negligence in duties
- Working under the influence of alcohol or prohibited substances
- Repeated or unauthorised absence

Where appropriate, the Employee will be given a written notice of the allegation and a fair opportunity to respond before a decision is made. In cases of serious misconduct, the Company may act immediately.

11. Separation and Notice Period

- **Resignation:** The Employee must give written notice as stated in the appointment letter. The standard notice period is sixty (60) days after confirmation and thirty (30) days during probation. The Company may waive or shorten the notice period at its discretion.
- **Termination by the Company:** The Company may end employment with the notice (or pay in lieu) required by the appointment letter, or without notice for proven serious misconduct.
- **Handover:** During the notice period, the Employee must complete knowledge transfer, document all open developments and transports, and hand over code, documents and credentials.
- **Exit formalities:** The Employee must return all Company assets, including laptop, ID card, access cards and tokens. All system access will be revoked on the last working day.
- **Full and final settlement:** Dues are settled within 45 days of the last working day, after clearance and adjustment of any recoverable amounts. Relieving and experience letters are issued after settlement.

12. General Provisions

The Company may amend these policies from time to time based on business or legal requirements. Updates will be communicated in writing or through official channels. Questions about these policies may be directed to the HR department. These policies are governed by the laws of India, and any dispute is subject to the jurisdiction of the courts at the Company's registered office location.
